COOKIES AND PIXELS

A cookie is a small file placed in your web browser that collects information about your web browsing behaviour. Use of cookies allows a website to tailor its configuration to your needs and preferences. Cookies do not access information stored on your computer or any personal information (e.g. name, address, email address or telephone number). Most web browsers automatically accept cookies but you can choose to reject cookies by changing your browser settings. This may, however, prevent you from taking full advantage of our website.

Our website uses cookies to analyse website traffic and help us provide a better website visitor experience. In addition, cookies and pixels may be used to serve relevant ads to website visitors through third party services such as Google Adwords and Facebook Adverts. If there is a change of control in one of our businesses (whether by merger, sale, transfer of assets or otherwise) customer information, which may include your Personal Data, could be disclosed to a potential purchaser under a confidentiality agreement. We would only disclose your information in good faith and where required by any of the above circumstances.

Any information and content you choose to share in Familify should reflect how much you want others to know about you. Please consider carefully what information and content you share. Business Transfers. If we are involved in a merger, acquisition, or sale of all or a portion of our assets, your information may be transferred as part of that transaction, but we will notify you (for example, via email and/or a prominent notice on our website) of any change in control or use of your Personal Information or Files, or if either become subject to a different Privacy Policy. We will also notify you of choices you may have regarding the information.

Non-private or Non-Personal Information. We may disclose your non-private, aggregated, or otherwise non-personal information, such as usage statistics of our Service.

We will retain your information for as long as your account is active or as needed to provide you services. If you wish to cancel your account or request that we no longer use your information to provide you services, you may request that we delete your account by emailing us. We may retain and use your information as necessary to comply with our legal obligations, resolve disputes, and enforce our agreements. Consistent with these requirements, we will try to delete your information quickly upon request. Please note, however, that there might be latency in deleting information from our servers and backed-up versions might exist after deletion. In addition, we do not delete from our servers files that you have in common with other users.

SECURITY

The security of your information is important to us. When you enter sensitive information (such as a password) on forms, we encrypt the transmission of that information using secure socket layer technology (SSL). We follow generally accepted standards to protect the information submitted to us, both during transmission and once we receive it. No method of electronic transmission or storage is 100% secure, however. Therefore, we cannot guarantee its absolute security.
